INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL
STATEMENTS

(1 / 1)

TO THE UNITHOLDERS OF MEFIC SAUDI FREESTYLE EQUITY FUND

INTRODUCTION

We have reviewed the accompanying interim statement of financial position of MEFIC SAUDI FREESTYLE EQUITY FUND (the "Fund") as at 30 June 2025 and the related interim statement of comprehensive loss for the six-month periods then ended, and the interim statements of changes in net assets (equity) and cash flows for the six-month period then ended, and a summary of material accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", that is endorsed in the Kingdom of Saudi Arabia. A review of interim condensed financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 that is endorsed in the Kingdom of Saudi Arabia.

MEFIC SAUDI FREESTYLE EQUITY FUND

Open-Ended Mutual Fund

(Managed By Middle East Financial Investment Company)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UN-AUDITED)

For The Six-Month Period Ended 30 June 2025

(Amounts in Saudi Arabian Riyal)

1. FUND AND ITS ACTIVITIES

The MEFIC Saudi Freestyle Equity Fund (the “Fund”) is an open-ended mutual fund established and managed by agreement between Middle East Financial Investment Company (the “Fund Manager”) and the fund’s investors (Unit Holders).

The fund's objective is to achieve capital returns through long-term capital development by investing in the Saudi stock market, public listed funds, IPO funds and money market funds. All investments of the Fund are compliant with Shariah provisions.

The Fund started its activities on 14 Rabi’ Al-Thani 1439 H, corresponding to 1 January 2018. The Capital Market Authority approved the establishment of the fund by letter No. 17/3403/5/3 dated 18 Ramadan 1438 H corresponding to 13 June 2017.

2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulation (the “Regulation”) published by CMA on 17 Rajab 1442H (corresponding to 1 March 2021) detailing requirements for all funds within the Kingdom of Saudi Arabia. The Amended Regulation have effective dates starting from 19 Ramadan 1442H (corresponding to 1 May 2021).

3. BASIS OF PREPARATION

3.1 Statement of compliance

These interim condensed financial statements of the Fund have been prepared in accordance with International Accounting Standard (IAS) 34 – “Interim Financial Reporting” that is endorsed in the Kingdom of Saudi Arabia and other standards and pronouncement issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA) and should be read in conjunction with the Fund’s last annual financial statement for the year ended 31 December 2024. The results for the six-months period ended 30 June 2025 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2025.

3.2 Basis of measurement

These interim condensed financial statements have been prepared under the historical cost convention, using the accrual basis of accounting except for investments carried at fair value through profit or loss which are carried at their fair value. The Fund presents its interim statement of financial position in the order of liquidity.

3.3 Functional and Presentation Currency

Items included in the interim condensed financial statements are measured using the functional currency in which the Fund operates (the “functional currency”). These financial statements are presented in Saudi Riyals, which is the functional and presentation currency of the Fund.

3.3.1 Foreign currency transactions and balances

Foreign currency transactions are translated into SAR using the exchange rates prevailing at the date of transactions. Foreign currency assets and liabilities are translated into SAR using the exchange rates prevailing at the interim statement of financial position date. Foreign exchange gains and losses arising from translation are included in the interim statement of comprehensive income.

MEFIC SAUDI FREESTYLE EQUITY FUND

Open-Ended Mutual Fund

(Managed By Middle East Financial Investment Company)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UN-AUDITED)

For The Six-Month Period Ended 30 June 2025

(Amounts in Saudi Arabian Riyal)

3. BASIS OF PREPARATION (CONTINUED)

3.4 Critical accounting judgments, estimates and assumption

The preparation of the interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next accounting period, are described below. The Fund based its assumptions and estimates on parameters available when the interim condensed financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Fund. Such changes are reflected in the assumptions when they occur.

Going concern

The Fund Manager has made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the Fund Manager is not aware of any material uncertainties that may cast significant doubt on the Fund's ability to continue as a going concern.

4. MATERIAL ACCOUNTING POLICIES

The accounting policies used in the preparation of these interim condensed financial statements are consistent with those used and disclosed in the annual financial statements of the Fund for the year ended 31 December 2024. Certain new standards, amendments and interpretations apply for the first time in 2025, but do not have an impact on the interim condensed financial statements of the Fund.

There are other several amendments and interpretations that are issued, but not yet effective, up to the date of issuance of the Fund's interim condensed financial statements. In the opinion of the Fund's Board, these will have no significant impact on the interim condensed financial statements of the Fund. The Fund intends to adopt those amendments and interpretations when they become applicable.

4.1 *New standards, interpretations and amendments adopted by the Fund:*

Standard/ interpretation	Description	Effective from periods beginning on or after
Amendment to IFRS 21 – Lack of exchangeability	IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment set out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique.	1 January 2025

The listing of standards and interpretations issued which the Fund reasonably expects to be applicable at a future date are as follows. The Fund is currently assessing the impact of these standards and interpretations and intends to adopt these when they become effective.

MEFIC SAUDI FREESTYLE EQUITY FUND

(Managed By Middle East Financial Investment Company)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UN-AUDITED)

For The Six-Month Period Ended 30 June 2025

(Amounts in Saudi Arabian Riyal)

4. MATERIAL ACCOUNTING POLICIES (CONTINUED)

Standard/ interpretation	Description	Effective from periods beginning on or after
Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.	Effective date deferred indefinitely
Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures	Under the amendments, certain financial assets including those with ESG-linked features could now meet the SPPI criterion, provided that their cash flows are not significantly different from an identical financial asset without such a feature. The IASB has amended IFRS 9 to clarify when a financial asset or a financial liability is recognized and derecognized and to provide an exception for certain financial liabilities settled using an electronic payment system.	1 January 2026
IFRS 18, Presentation and Disclosure in Financial Statements	IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations. It defines a subset of measures related to an entity's financial performance as 'management-defined performance measures' ('MPMs'). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences.	1 January 2027
IFRS 19, Subsidiaries without Public Accountability: Disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	1 January 2027

5. MANAGEMENT FEE, AND OTHER CHARGES

On each valuation day, the fund manager charges the fund a management fee of 1.75% of the fund's net asset value, deducted on a monthly basis.

The fund manager recovers from the fund any expenses incurred on behalf of the fund such as audit fees, legal fees, board of directors fees and any other similar fees. And it is not expected in their total to exceed 0.5% of the fund's net asset value.

6. CASH AND CASH EQUIVALENTS

		30 June 2025 (Un-audited)	31 December 2024 (Audited)
Cash at bank	6.1	119,314	1,094,390
		119,314	1,094,390

6.1 The Fund does not earn profits from investment accounts.

11. FINANCIAL RISK MANAGEMENT

11.1 Financial risk factors

The objective of the Fund is to maintain its ability to continue as a going concern so that it can continue to provide optimum returns to its Unit Holders and to ensure reasonable safety to the unit holders.

The Fund's activities expose it to a variety of financial risks: market risk, credit risk, liquidity risk and operational risk.

The Fund Manager is responsible for identifying and controlling risks. The Fund Board supervises the Fund Manager and is ultimately responsible for the overall management of the Fund.

Monitoring and controlling risks is primarily set up to be performed based on the limits established by the Fund Board. The Fund has its Terms and Conditions document that set out its overall business strategies, its tolerance of risks and its general risk management philosophy and is obliged to take actions to rebalance the portfolio in line with the investment guidelines.

The Fund uses different methods to measure and manage the various types of risk to which it is exposed; these methods are explained below.

(a) Market risk

(i) Price risk

Price risk is the risk that the value of the Fund's financial instruments will fluctuate as a result of changes in market prices caused by factors other than foreign currency and commission rate movements.

The price risk arises primarily from uncertainty about the future prices of financial instruments that the Fund holds. The Fund Manager diversifies the investment portfolio and closely monitors the price movement of its investments in financial instruments. As of the statement of financial position date, the Fund has equity investments.

The effect on the net assets value (as a result of the change in the fair value of investments as at 30 June) due to a reasonably possible change in equity indices based on the industry concentration, with all other variables held constants is as follows:

Consumer Services	-	-	+/- 1%	488
Commercial & Professional Svc	-	-	+/- 1%	217
Financial Services	-	-	+/- 1%	

(b) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The Fund is exposed to credit risk in cash and cash equivalents. Bank balances are deposited in local banks, which is considered a good financially rated bank. The following table shows the maximum exposure to credit risk for the components of the statement of financial position

	30 June 2025	31 December
	(Un-audited)	2024(Audited)
Cash and cash equivalents	119,314	1,094,390
Trade and other receivable	-	99,155

The carrying amount of financial assets represents the maximum credit exposure.

Credit risk on cash is limited as:

- All financial assets of the Fund are held with counterparties with sound credit ratings.

It is the Fund's policy to enter into financial instrument contracts with reputable counterparties. The Fund seeks to limit its credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties.

Open-Ended Mutual Fund

(Managed By Middle East Financial Investment Company)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UN-AUDITED)

For The Six-Month Period Ended 30 June 2025

(Amounts in Saudi Arabian Riyal)

11. FINANCIAL RISK MANAGEMENT (CONTINUED)

11.1 Financial risk factors (continued)

(c) Liquidity risk

It is the risk that the fund is exposed to difficulties in obtaining the financing necessary to meet commitments related to financial liabilities. The Fund Manager monitors the liquidity requirements on an ongoing basis in order to ensure the adequacy of the available funding to meet any obligations when they occur.

The Fund Manager monitors liquidity requirements by ensuring that sufficient funds are available to meet any commitments as they arise, either through new subscriptions, liquidation of the investment portfolio or by taking short term loans from the Fund Manager.

(d) Operational risk

Operational risk is the risk of direct or indirect loss arising from a variety of causes associated with the processes, technology and infrastructure supporting the Fund's activities either internally or externally at the Fund's service provider and from external factors other than credit, liquidity, currency and market risks such as those arising from the legal and regulatory requirements.

The Fund's objective is to manage operational risk so as to balance limiting of financial losses and damage to its reputation with achieving its investment objective of generating returns to unit holders.

11.2 Fair value estimation

The fair value for financial instruments traded in active markets is based on quoted market prices at the close of trading on the financial reporting date. Instruments for which no sales were reported on the valuation day are valued at the most recent bid price.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The carrying values of the Fund's financial instruments carried at amortized cost are assumed to approximate their fair values.

The fair value hierarchy has the following levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly: and
- Level 3 inputs are unobservable inputs for the asset or liability.

Investments whose values are based on quoted market prices in active markets, and are therefore classified within Level 1, include active listed equity and debt instruments. The Fund does not adjust the quoted price for these instruments.

Fund classifies all of its financial assets except for those carried at amortized cost, at fair value as level 1.

MEFIC SAUDI FREESTYLE EQUITY FUND

Open-Ended Mutual Fund

(Managed By Middle East Financial Investment Company)
