Middle East Financial Investment Company (MEFIC Capital) is authorized by the Capital Market Authority. MEFIC Capital does not guarantee the performance of any investment. The value of an investment in the Fund is variable and may increase or decrease. The Fund could be subject to high volatility due to the composition of its investments. The Fund's past performance or the Benchmark's past performance is not necessarily a guide or predictor of the Fund's future performance. There is no guarantee to the unit holders that the Fund's absolute performance or its performance relative to the Benchmark will be repeated or similar to the previous performance. The prices or value or income of the units of the Fund may decrease and the investor may get back less than the amount invested. The income of the Fund from investment in securities may fluctuate and a part of the capital invested may be used to pay that income. The Fund invests in foreign currency denominated securities and therefore is exposed to foreign exchange risk that may have an adverse effect on the price, value or income of the Fund. Investment in investment funds is not a deposit with any bank. Investors may be exposed to loss of funds when investing in investment funds. The Fund Manager is not obliged to accept the redemption request of the units at the value of the offering. The value of the units and their revenues are subject to fluctuations. The investment may not be suitable for all recipients of the advertisement MEFIC Capital recommends that if they have any doubts, they should seek advice from their investment adviser. Fees and charges apply as per Terms and Conditions. Please refer to the T&Cs for more details on the risks involved while investing in the Fund.
